From **2022-23**, all **British curriculum students** will have to complete Year 13 before leaving Secondary Education as a result of the MOE Resolution No. (883) of 2019.

The MOE will now not grant its High School Equivalency Certificate until all elements, including **Arabic and Islamic studies**, have been completed. This can only be achieved in Year 13.

Year 12 students from British schools (i.e. aged 16-17) can still leave school at this age, but they will not obtain the Equivalency Certificate. This may impact their ability to go into further education, particularly here in the UAE or other regional institutions such as in Egypt. This will depend on the requirements of the various universities. As well as the duration of national services.
